

# EXTERNAL VISUAL INDICATOR

Configure as a standard strobe, or pair with VSS for an enhanced start.

## Key Features:

- Provides a visual start for a race.
- Operates as a traditional strobe or pair with the Elite Start System to enable VSS.
- Variable intensity settings for indoor and outdoor visibility and lane line functionality.
- VSS functionality utilizes the multi-color LEDs to signal athletes behind the block, on the block, and signal "Take Your Mark."
- Designed for athletes who are deaf or hard or hearing.
